

# BRAZIL CARES

Dear Corporate Partner.

BrazilCares Inc. is devoted to promoting positive social actions across the Americas. Our commitment to sustainability through environmentally friendly practices is deeply ingrained in all of our operations.

We invite all potential corporate partners to join us in our journey towards a more socially conscious world by bringing their own unique social commitment to the table. Together, we can create a brighter future for our planet and the generations that follow.

Our purpose is simple: to care for the Americas and its people, preserving the Amazon forest, while setting an example of sustainable business practices. We want to create a culture of care, respect and preservation so that businesses can make a positive impact on our environment while promoting ethical, responsible business models.

This may include sponsorship, product donations, or other events activities that involve Brazilcares Inc., working together with your corporation, thus gaining positive recognition from being associated with us. The added bonus of this partnership is the tax break corporations may enjoy from their investment. Overall, it is a mutually beneficial relationship that helps corporations give back to the community.

Your brand will be associated with all Brazilcares.org, Social and Environmental causes in all BrazilCares.org activities, and in exchange, your business will receive a positive PR, with boost in sales and grow customer and employee engagement. These business marketing actions, without disbursement, are a smart way to highlight your corporation, among competitors, with just a tax decision.

This partnership model is important for all of us, who want a better world and who want to direct our tributes to what is really important.

Our Foundation Tax ID /EIN is: 92-1878957, which allows us to issue all accounting documents, and certificates to guarantee your tax benefit.

Thank you for your attention, we look forward to your contact.

Sincerely,

George Freitas  
Founder & CEO
